Short-Term Investments That Are Safe

Satisfactory short-term investments in the shape of stocks and bonds are not readily found. Most of the choice securities have a number of years to run.

However, there is one security that we can recommend without any reservation whatever to those having funds for short-term investment—our interest-bearing Certificates of Deposit.

Any amount from $1.00 up can be invested with the assurance of absolute safety and for such time as is desired. They will be found just as satisfactory for long-term as for short-term investment.

You are invited to call on us for full details.

Friday morning about 2 o'clock our town was visited by yeggmen. The town was in darkness and when the alarm was given that robbers were in the postoffice, the Sheriff and several aids soon gathered and thought sure they would capture the robber, but the postmaster approached in the dark and was taken to be one of the robbers for a while and came very near being fired on While thus engaged it is thought the robbers made their escape. Locks were broken and the safe door was blown open and about $20 in stamps taken off. An opportunity was lost to capture a bad gang and postmaster Irby is grieving that he approached the watchers, thereby affording the thieves a chance to escape. It is said that robbers are traveling in an old Ford car. The shop of Gus Farrar was broken into and his tools were used in drilling and blowing the safe. We think the robber left immediately after the explosion before any one arrived on the scene through the back door.

The Appomattox Fair Association is making plans for a very large exhibit at the coming Fair. Dates are October 18 to 20. The Secy has arranged for an entirely new set of performances on the midway having contracted this week with the Royal Exposition Shows of Kentucky, a new merry-go-round, ferris wheel and six or eight high class shows. He authorizes no gambling on the grounds. The admission is 75 cents and this will admit to the grounds and also the racing. A very large attendance is expected. 9 27 3

Tobacco Growers Cooperative Association,

The Tobacco Growers Cooperative Association in South Carolina is a splendid success. The city of Florence, including banks and business houses, is 100 per cent cooperative. We feel that we have doubled the price of our entire South Carolina tobacco crop the first year of its operation. Our sales committee is meeting with wonderful success in selling our tobacco at satisfactory prices. Even the non-signers are giving the Association credit for the increase in price. Every one appreciates the orderly manner of marketing as against the old dumping system. When the doors are opened again for signers we expect to see our membership increased to nearly 100 per cent. We consider the movement the financial salvation of the South Carolina tobacco farmer.

"Our Family Medicine"

"I WILL WRITE you in regard to Black-Draught liver medicine, as I have been using it more than 18 years," says a letter from Mr. S. F. Mintz, of R. F. D. 2, Leland, N. C. "I keep it in my home all the time, for it is mostly our family medicine. When we begin to feel feverish or sluggish, with trouble from the liver or stomach, we take a dose of Thedford's Black-Draught and the trouble is soon over. I mostly buy a dollar package at a time, and it has saved me many a bill."
Thedford's Black-Draught is a purely vegetable remedy, acting on the liver, stomach and bowels. It is made from selected herbs and roots, and contains no calomel or other mineral drugs.
It has been found of great value, in indigestion, stomach trouble, sick headache, constipation, and lazy liver, helping to relieve the symptoms caused by these troubles, and to put the digestive system into proper working order.
Get a package of Black-Draught liver medicine from your druggist or dealer, today. Be sure to get the genuine—Thedford's.
